

MISSING ASSIGNMENT BUYOUT PROGRAM

The Deal	The Description	The Inequality	The Equation
One AT A Time			
More Up Front			
Flat Fee			

1. Fill out the table above.

2. Let's say a student is having a bad semester and they have 20 missing assignments (yikes!). Furthermore, this student only has \$80 to spend on the Missing Assignment Buyout Program. Which deal do you recommend they purchase and why?
